PROJECT ACQUAINTANCE

Designer Vitruvius Yachts

Why is she so special? Extending Vitruvius Yachts' proven model of the sleek explorer yacht lines beyond the 100-metre mark, Philippe Briand's concept for Oceanco packs in a host of features, including efficient propulsion, a vast glass-sided and bottomed pool on the main deck, and a private owner's deck with observation lounge.

Look out for The glass walls throughout the accommodation. The owner benefits from a deck with views aft from the bed and forward from the lounge.

DATA LOA: 105.0m, Beam: 17.0m, Top speed: 18.5 knots, Guests: 22, Crew: 30.
